

Quarantine pest, NAPPRA Round 1, Final, effective May 20, 2013	Host plant genus	Countries from which importation is not authorized	Propagative plant parts regulated under NAPPRA
Anoplophora chinensis	Acacia	All except Canada	All except seed and cut flowers and greenery
	Acer	All except Canada, Netherlands, New Zealand	All except seed and cut flowers and greenery
	Aesculus	All except Canada	All except seed and cut flowers and greenery
	Albizia	All except Canada, Israel	All except seed and cut flowers and greenery
	Alnus	All except Canada	All except seed and cut flowers and greenery
	Aralia	All except Canada, Costa Rica, Guatemala, Netherlands	All except seed and cut flowers and greenery
	Betula	All except Canada	All except seed and cut flowers and greenery
	Broussonetia	All except Canada	All except seed and cut flowers and greenery
	Cajanus	All except Canada	All except seed and cut flowers and greenery
	Camellia	All except Canada	All except seed and cut flowers and greenery
	Carpinus	All except Canada, Netherlands	All except seed and cut flowers and greenery
	Carya	All except Canada	All except seed and cut flowers and greenery
	Castanopsis	All except Canada	All except seed and cut flowers and greenery
	Casuarina (= Allocasuarina)	All except Canada	All except seed and cut flowers and greenery
	Catalpa	All except Canada	All except seed and cut flowers and greenery

Quarantine pest, NAPPRA Round 1, Final, effective May 20, 2013	Host plant genus	Countries from which importation is not authorized	Propagative plant parts regulated under NAPPRA
	Celastrus	All except Canada	All except seed and cut flowers and greenery
	Cercis	All except Canada, Netherlands, Israel	All except seed and cut flowers and greenery
	Chaenomeles	All except Canada	All except seed and cut flowers and greenery
	Cornus	All except Canada, Netherlands	All except seed and cut flowers and greenery
	Corylus	All except Canada, Netherlands	All except seed and cut flowers and greenery
	Cotoneaster	All except Canada, Costa Rica, Netherlands	All except seed and cut flowers and greenery
	Crataegus	All except Canada	All except seed and cut flowers and greenery
	Cryptomeria	All except Canada	All except seed and cut flowers and greenery
	Cydonia (= Pseudocydonia)	All except Canada	All except seed and cut flowers and greenery
	Elaeagnus	All except Canada	All except seed and cut flowers and greenery
	Eriobotrya	All except Canada	All except seed and cut flowers and greenery
	Fagus	All except Canada, Netherlands	All except seed and cut flowers and greenery
	Ficus	All except Canada, China, Costa Rica, Dominican Republic, Guatemala, Mexico, Netherlands, Taiwan, Thailand	All except seed and cut flowers and greenery
	Grevillea (= Stylurus)	All except Canada	All except seed and cut flowers and greenery

Quarantine pest, NAPPRA Round 1, Final, effective May 20, 2013	Host plant genus	Countries from which importation is not authorized	Propagative plant parts regulated under NAPPRA
	Hedera	All except Canada, Colombia, Costa Rica, Guatemala, Israel, Kenya, Mexico, Netherlands	All except seed and cut flowers and greenery
	Hibiscus	All except Canada, France	All except seed and cut flowers and greenery
	Ilex	All except Canada, Netherlands	All except seed and cut flowers and greenery
	Juglans	All except Canada	All except seed and cut flowers and greenery
	Lagerstroemia	All except Canada, Israel	All except seed and cut flowers and greenery
	Lindera	All except Canada	All except seed and cut flowers and greenery
	Liquidambar	All except Canada	All except seed and cut flowers and greenery
	Litchi	All except Canada	All except seed and cut flowers and greenery
	Maackia	All except Canada	All except seed and cut flowers and greenery
	Mallotus	All except Canada	All except seed and cut flowers and greenery
	Malus	All except Belgium, Canada, France, Germany, Netherlands	All except seed and cut flowers and greenery
	Melia	All except Canada	All except seed and cut flowers and greenery
	Morus	All except Canada	All except seed and cut flowers and greenery
	Olea	All except Canada	All except seed and cut flowers and greenery
	Ostrya	All except Canada	All except seed and cut flowers and greenery

Quarantine pest, NAPPRA Round 1, Final, effective May 20, 2013	Host plant genus	Countries from which importation is not authorized	Propagative plant parts regulated under NAPPRA
	Parrotia	All except Canada	All except seed and cut flowers and greenery
	Persea (= Machilus)	All except Canada	All except seed and cut flowers and greenery
	Photinia (= Stranvaesia)	All except Canada	All except seed and cut flowers and greenery
	Pinus	All except Canada, Japan, Korea (Republic of)	All except seed and cut flowers and greenery
	Platanus	All except Canada	All except seed and cut flowers and greenery
	Polygonum (= Reynoutria)	All except Canada	All except seed and cut flowers and greenery
	Populus	All except Canada	All except seed and cut flowers and greenery
	Prunus	All except Canada, Netherlands	All except seed and cut flowers and greenery
	Psidium	All except Canada	All except seed and cut flowers and greenery
	Pyracantha	All except Canada	All except seed and cut flowers and greenery
	Pyrus	All except Canada	All except seed and cut flowers and greenery
	Quercus	All except Canada, France	All except seed and cut flowers and greenery
	Rhododendron	All except Canada, Japan	All except seed and cut flowers and greenery
	Rhus (=Toxicodendron)	All except Canada	All except seed and cut flowers and greenery
	Robinia	All except Canada, Israel, Netherlands	All except seed and cut flowers and greenery

Quarantine pest, NAPPRA Round 1, Final, effective May 20, 2013	Host plant genus	Countries from which importation is not authorized	Propagative plant parts regulated under NAPPRA
	Rosa	All except Canada, Denmark, France, Germany, Netherlands, United Kingdom	All except seed and cut flowers and greenery
	Rubus	All except Canada, United Kingdom	All except seed and cut flowers and greenery
	Sageretia	All except Canada, China	All except seed and cut flowers and greenery
	Salix	All except Canada	All except seed and cut flowers and greenery
	Sapium (= Triadica)	All except Canada	All except seed and cut flowers and greenery
	Sophora	All except Canada	All except seed and cut flowers and greenery
	Sorbus	All except Canada	All except seed and cut flowers and greenery
	Styrax	All except Canada, Netherlands	All except seed and cut flowers and greenery
	Toona	All except Canada	All except seed and cut flowers and greenery
	Ulmus	All except Canada	All except seed and cut flowers and greenery
	Vernicia (= Aleurites)	All except Canada	All except seed and cut flowers and greenery
	Viburnum	All except Canada	All except seed and cut flowers and greenery
	Ziziphus	All except Canada	All except seed and cut flowers and greenery
Bursaphelenchus cocophilus	Acrocomia	All	All except seed and cut flowers and greenery

Quarantine pest, NAPPRA Round 1, Final, effective May 20, 2013	Host plant genus	Countries from which importation is not authorized	Propagative plant parts regulated under NAPPRA
	Astrocaryum	All	All except seed and cut flowers and greenery
	Attalea	All	All except seed and cut flowers and greenery
	Bactris	All	All except seed and cut flowers and greenery
	Euterpe	All	All except seed and cut flowers and greenery
	Mauritia	All	All except seed and cut flowers and greenery
	Oenocarpus	All	All except seed and cut flowers and greenery
	Roystonea	All	All except seed and cut flowers and greenery
Ceratocystis maguecans	Mangifera	All	All except seed but including cut flowers and greenery
Chrysomyxa abietis	Picea	All except Canada	All except seed but including cut flowers and greenery
Lachnellula willkommii	Larix	All except areas of Canada not regulated for <i>L.willkommii</i>	All except seed but including cut flowers and greenery
Lachnellula willkommii	Pseudolarix	All except areas of Canada not regulated for <i>L.willkommii</i>	All except seed but including cut flowers and greenery
Phytophthora alni	Alnus	All except Canada	All except seed but including cut flowers and greenery
Pseudomonas syringae pv. actinidiae	Actinidia	All	All except seed but including cut flowers and greenery

Quarantine pest, NAPPRA Round 1, Final, effective May 20, 2013	Host plant genus	Countries from which importation is not authorized	Propagative plant parts regulated under NAPPRA
Pseudomonas syringae pv. aesculi	Aesculus	All except Canada	All except seed but including cut flowers and greenery
Rhynchophorus ferrugineus	Brahea	All	All except seed and cut flowers and greenery
	Butia	All	All except seed and cut flowers and greenery
	Calamus	All	All except seed and cut flowers and greenery
	Euterpe	All	All except seed and cut flowers and greenery
	Manicaria	All	All except seed and cut flowers and greenery
	Metroxylon	All	All except seed and cut flowers and greenery
	Oncosperma	All	All except seed and cut flowers and greenery
	Roystonea	All	All except seed and cut flowers and greenery
Rhynchophorus palmarum	Acrocomia	All	All except seed and cut flowers and greenery
	Attalea	All	All except seed and cut flowers and greenery
	Bactris	All	All except seed and cut flowers and greenery
	Desmoncus	All	All except seed and cut flowers and greenery
	Euterpe	All	All except seed and cut flowers and greenery

Quarantine pest, NAPPRA Round 1, Final, effective May 20, 2013	Host plant genus	Countries from which importation is not authorized	Propagative plant parts regulated under NAPPRA
	Manicaria	All	All except seed and cut flowers and greenery
	Metroxylon	All	All except seed and cut flowers and greenery
	Roystonea	All	All except seed and cut flowers and greenery
	Sabal	All	All except seed and cut flowers and greenery
	Syagrus	All	All except seed and cut flowers and greenery
	Washingtonia	All	All except seed and cut flowers and greenery
Tomato severe leaf curl virus	Solanum (including syn. Lycopersicon)	All except Canada	All except seed but including cut flowers and greenery
	Capsicum	All except Canada	All except seed but including cut flowers and greenery
Tomato torrado virus	Solanum (including syn. Lycopersicon)	All except Canada	All except seed but including cut flowers and greenery
	Amaranthus	All except Canada	All except seed but including cut flowers and greenery
	Atriplex	All except Canada	All except seed but including cut flowers and greenery
	Chenopodium	All except Canada	All except seed but including cut flowers and greenery
	Halogetum	All except Canada	All except seed but including cut flowers and greenery
	Lepidium (synonyms Senebiera, Coronopus)	All except Canada	All except seed but including cut flowers and greenery

Quarantine pest, NAPPRA Round 1, Final, effective May 20, 2013	Host plant genus	Countries from which importation is not authorized	Propagative plant parts regulated under NAPPRA
	Malva	All except Canada	All except seed but including cut flowers and greenery
	Polygonum	All except Canada	All except seed but including cut flowers and greenery
	Nicotiana	All except Canada	All except seed but including cut flowers and greenery
	Spergularia	All except Canada	All except seed but including cut flowers and greenery
Xanthomonas axonopodis pv. punicae	Punica granatum	All	All except seed but including cut flowers and greenery

Quarantine pest, NAPPRA Round 2, Final, Effective June 19, 2017	Host plant genus	Countries from which importation is not authorized	Propagative plant parts regulated under NAPPRA
Anoplophora glabripennis	<i>Celtis</i>	All except Canada	All plant parts except seed
	<i>Cercidiphyllum</i>	All except Netherlands and Canada	All plant parts except seed
	<i>Koelreuteria</i>	All	All plant parts except seed
	<i>Tilia</i>	All except Canada	All plant parts except seed
Dendroctonus micans	<i>Pseudotsuga</i>	All except Canada and India	All plant parts except seed
Moniliophthora perniciosa	<i>Arrabidaea</i>	All	All plant parts except seed, but including cut flowers and greenery
	<i>Bixa</i>	All	All plant parts except seed, but including cut flowers and greenery
	<i>Herrania</i>	All	All plant parts except seed, but including cut flowers and greenery
	<i>Theobroma</i>	All	All plant parts except seed, but including cut flowers and
Monochamus alternatus	<i>Cedrus</i>	All except Canada	All plant parts except seed
Peanut clump virus and Indian peanut clump virus	<i>Arachis</i>	All	All plant parts including seeds
	<i>Eleusine</i>	All	All plant parts including seeds
	<i>Pennisetum</i>	All except Canada	All plant parts except seed
		All except Australia, Germany, Canada	Seed
	<i>Setaria</i>	All	All plant parts except seed
		All except Netherlands	Seed

	<i>Triticum</i>	All except Argentina, Canada, France, Germany, Mexico, New Zealand, United Kingdom	Seed
	<i>Zea</i>	All except Argentina, Austria, Brazil, Canada, Chile, Croatia, France, Germany, Guyana, Hungary, Italy, Mexico, Netherlands, New Zealand, Peru, Romania, Serbia, Spain, Turkey, United Kingdom	Seed
Phytophthora kernoviae	<i>Annona</i>	All except Costa Rica and Canada	All except seed
	<i>Camellia</i>	All except Canada	All except seed
	<i>Drimys</i>	All	All except seed
	<i>Fagus</i>	All except Canada and Netherlands	All except seed
	<i>Gevuina</i>	All	All except seed
	<i>Hedera</i>	All except Canada, Colombia, Costa Rica, Guatemala, Israel, Kenya, and Mexico	All except seed
	<i>Ilex</i>	All except Canada and Netherlands	All except seed
	<i>Leucothoe</i>	All except Canada	All except seed
	<i>Liriodendron</i>	All except Canada	All except seed
	<i>Lomatia</i>	All	All except seed
	<i>Magnolia (Michelia)</i>	All except Canada, China, And S. Africa	All except seed
	<i>Pieris</i>	All except Canada	All except seed
	<i>Podocarpus</i>	All except Canada and China	All except seed
	<i>Quercus</i>	All except Canada	All except seed
	<i>Rhododendron</i>	All except Canada and Japan	All except seed
	<i>Sequoiadendron (Sequoia)</i>	All	All except seed
	<i>Vaccinium</i>	All except Australia and Canada	All except seed
Puccinia buxi	<i>Buxus</i>	All countries except Canada	All except seed, but including cut flowers and greenery

Hosts of Quarantine Pests: NAPPRA Round 3, Effective July 02, 2021

Quarantine Pests	Host Plant Genera	Countries from which importation is not authorized	Propagative plant parts regulated under NAPPRA
<i>Austropuccinia psidii</i> (Sphaerophragmiaceae) and other quarantine pests	All Myrtaceae taxa: including Acca, Eucalyptus, Eugenia, Rhodomyrtus and Syzygium	All countries when destined to Hawai'i	All propagules except seeds
Black Currant Reversion Virus, BRV (Nepovirus, Secoviridae) and other quarantine pests	Ribes	All countries except Canada	All propagules except seeds
<i>Brevipalpus chelensis</i> (Tenuipalpidae) and other quarantine pests	Ampelopsis	All countries	All propagules except seeds
	Antirrhinum	All countries except Canada, Colombia, Costa Rica, France, Guatemala, Indonesia, Israel, Netherlands	All propagules except seeds
	Apium	All countries except Canada	All propagules except seeds
	Catharanthus	All countries except Costa Rica, Guatemala, India, Japan	All propagules except seeds

	Cestrum	All countries except Canada	All propagules except seeds
	Convolvulus	All countries except Costa Rica, Israel, Kenya, Mexico, Uganda	All propagules except seeds
	Diospyros	All countries	All propagules except seeds
	Dysphania	All countries	All propagules except seeds
	Garcinia	All countries except Thailand	All propagules except seeds
	Jasminum	All countries except Canada	All propagules except seeds
	Ligustrum	All countries except Canada	All propagules except seeds
	Plantago	All countries	All propagules except seeds
	Strongylodon	All countries	All propagules except seeds
	Vinca	All countries except Brazil, Canada, Colombia, Costa Rica, Dominican Republic, El Salvador, Ethiopia, Guatemala, Israel, Japan, Kenya, Mexico, Netherlands	All propagules except seeds
Chickpea chlorotic dwarf virus, CpCDV (Mastrevirus, Geminiviridae) and other quarantine pests	Beta	All countries	All propagules except seeds
	Datura	All countries	All propagules except seeds

	Xanthium	All countries	All propagules except seeds
Elm mottle virus, EMoV (Ilavirus, Bromoviridae) and other quarantine pests	Philadelphus	All countries	All propagules except seeds
	Syringa	All countries except Canada	All propagules except seeds
Euonymus yellow mottle associated virus EuYMaV (Potexvirus, Alphaflexiviridae) and other quarantine pests	Euonymus	This exemption is not valid anymore pursuant to Federal Order DA-2021-11, May 26, 2021, which prohibits entry of Euonymus spp. from Canada. All countries except Canada	All propagules except seeds
Hop stunt viroid, HSVd (Hostuviroid, Pospiviroidae) and other quarantine pests	Cucumis	All countries except Canada and Netherlands	All propagules except seeds
	Galinsoga	All countries	All propagules except seeds
	Gynura	All countries except Canada, Dominican Republic, Guatemala	All propagules except seeds
	Humulus	All countries	All propagules except seeds
	Pistacia	All countries	All propagules except seeds
Myrtaspis syzygii (Diaspididae) and other quarantine pests	Syzygium	All countries	All propagules except seeds

<i>Neopestalotiopsis macadamiae</i> (Amphisphaeriaceae) and other quarantine pests	Macadamia	All countries	All propagules except seeds
<i>Peronophythora litchii</i> (Peronosporaceae) and other quarantine pests	Dimocarpus (syn: Euphoria)	All countries	All propagules except seeds
<i>Phakopsora phyllanthi</i> (Pucciniomycetes, Phakopsoraceae) and other quarantine pests	Phyllanthus	All countries	All propagules except seeds
<i>Phomopsis durionis</i> (Diaporthaceae) and other quarantine pests	Durio	All countries	All propagules except seeds
	Pachira	All countries except Canada, China, Costa Rica, Indonesia, Taiwan, Vietnam	All propagules except seeds
<i>Pseudocercospora ceratoniae</i> (Mycosphaerellaceae) and other quarantine pests	Ceratonia	All countries	All propagules except seeds

<i>Pseudocercospora pistacina</i> (syn: <i>Septoria pistacina</i>) (Mycosphaerellaceae) and other quarantine pests	Pistacia	All countries	All propagules except seeds
<i>Sirosporium carissae</i> (Mycosphaerellaceae) and other quarantine pests	Carissa	All countries	All propagules except seeds
Tomato leaf curl New Delhi virus ToLCNDV (Begomovirus, Geminiviridae) and other quarantine pests	Benincasa	All countries	All propagules except seeds
	Carica	All countries	All propagules except seeds
	Cucumis	All countries except Canada and Netherlands	All propagules except seeds
	Cucurbita	All countries except Canada	All propagules except seeds
	Datura	All countries	All propagules except seeds
	Daucus	All countries	All propagules except seeds
	Eclipta	All countries	All propagules except seeds
	Lagenaria	All countries	All propagules except seeds
	Luffa	All countries	All propagules except seeds
	Momordica	All countries	All propagules except seeds

<i>Uredo artocarp</i> (Pucciniaceae) and other quarantine pests	Artocarpus	All countries	All propagules except seeds

**Quarantine Pest Plant, NAPPRA Round 1,
Final, Effective May 20, 2013**

All Propagative plant parts of quarantine pest plants, including seed, and cut flowers and greenery, are NAPPRA from all countries

Acacia hockii

Andropogon gayanus

Artemisia austriaca

Berberis glaucocarpa

Berkheya rigida

Bromus pectinatus

Cassinia arcuata

Cestrum laevigatum

Cineraria lyratiformis

Cordia curassavica

Echinochloa pyramidalis

Eleocharis kuroguwai

Gomphrena celosioides

Hakea sericea

Hakea salicifolia

Impatiens parviflora

Launaea cornuta

Limnobium laevigatum

Litsea glutinosa

Ludwigia hyssopifolia

Ludwigia prostrata

Nymphoides cristata

Oryza barthii

Phyllanthus maderaspatensis

Picnemon acarna

Potamogeton distinctus

Potamogeton schweinfurthii

Praxelis clematidea

Rumex sagittatus

Senecio angulatus

Wikstroemia indica

Quarantine Pest Plant, NAPPRA Round 2.
Final, Effective June 19, 2017
<i>All Propagative plant parts of quarantine pest plants, including seed, and cut flowers and greenery, are NAPPRA from all countries.</i>
Acroceras zizanioides
Actinoscirpus grossus
Austroeupatorium inulifolium
Campuloclinium macrocephalum
Cyanotis axillaris
Cyperus exaltatus
Desmostachya bipinnata
Digitaria ternata
Fuirena ciliaris
Gnaphalium affine
Isachne globosa
Ischaemum muticum
Kyllinga pulchella
Kyllinga polyphylla
Mollugo pentaphylla
Myoporum tenuifolium
Ottochloa nodosa
Persicaria thunbergii
Pycreus flavidus
Rubus alceifolius
Sagittaria pygmaea
Tarchonanthus camphoratus

Quarantine Pest Plants, NAPPRA Round 3: Final, Effective July 02, 2021

All propagative plant parts of quarantine pest plants, including seed, are NAPPRA from all countries.

<i>Acaena novae-zelandiae</i> (Rosaceae)
<i>Adonis microcarpa</i> (Ranunculaceae)
<i>Bidens subalternans</i> (Asteraceae)
<i>Bruguiera gymnorhiza</i> (Rhizophoraceae)
<i>Carrichtera annua</i> (Brassicaceae)
<i>Crassula helmsii</i> (Crassulaceae)
<i>Crataegus x sinaica</i> (Rosaceae)
<i>Derris trifoliata</i> (Fabaceae)
<i>Elatine ambigua</i> (Elatinaceae)
<i>Erica arborea</i> (Ericaceae)
<i>Euclea divinorum</i> (Ebenaceae)
<i>Fraxinus floribunda</i> (Oleaceae)
<i>Fumaria schleicheri</i> (Papaveraceae)
<i>Hakea gibbosa</i> (Proteaceae)
<i>Ipomoea pes-tigridis</i> (Convolvulaceae)
<i>Knautia integrifolia</i> (Caprifoliaceae)
<i>Ligustrum robustum</i> (Oleaceae)
<i>Lonicera acuminata</i> (Caprifoliaceae)
<i>Lumnitzera racemosa</i> (Combretaceae)
<i>Luziola subintegra</i> (Poaceae)
<i>Miscanthus nepalensis</i> (Poaceae)
<i>Philydrum lanuginosum</i> (Philydraceae)
<i>Senecio glastifolius</i> (Asteraceae)
<i>Stratiotes aloides</i> (Hydrocharitaceae)
<i>Toxicodendron succedaneum</i> (Anacardiaceae)
<i>Vachellia karroo</i> (Fabaceae)

NAPPRA plants from the Prohibited Articles list (7CFR319.37-2a) (includes seeds only if specifically mentioned): (Restructure Rule, April 18, 2018)

For details of import requirements see Plants for Planting Manual, Chapter Six

https://www.aphis.usda.gov/import_export/plants/manuals/ports/downloads/plants_for_planting.pdf

<i>Abelmoschus</i> spp. (okra)
<i>Abies</i> spp. (fir)
<i>Adonidia</i> spp (Arecaceae)
<i>Aeglopsis</i> spp. seed (Rutaceae)
<i>Aiphanes</i> spp. (coyure, ruffle, and spine palm) (Arecaceae)
<i>Allagoptera arenaria</i> (Arecaceae)
<i>Althaea</i> spp. (althaea, hollyhock)
<i>Areca</i> spp (Arecaceae)
<i>Arenga</i> spp. (sugarpalm) (Arecaceae)
<i>Atalantia</i> spp. seed (Rutaceae)
<i>Balsamocitrus</i> spp. seed (Rutaceae)
Bambuseae (seeds, plants, and cuttings)
<i>Berberis</i> spp. (barberry, includes <i>Mahoberberis</i> and <i>Mahonia</i> spp.) (plants of all species and horticultural varieties not designated as resistant to black stem rust)
<i>Berberis</i> spp. (barberry, includes <i>Mahoberberis</i> and <i>Mahonia</i> spp.) destined to an eradication State (plants of all species and horticultural varieties designated as resistant to black stem rust)
<i>Berberis</i> spp. (barberry, includes <i>Mahoberberis</i> and <i>Mahonia</i> spp.) seed
<i>Bergera</i> spp. seed (Rutaceae)
<i>Blighia sapida</i> (akee)
<i>Borassus</i> spp. (palmyra palm) (Arecaceae)
<i>Brugmansia</i> spp.
<i>Calodendrum</i> spp. seed (Rutaceae)
<i>Caryota</i> spp. (fishtail palm) (Arecaceae)
<i>Castanea</i> spp. (chestnut)
<i>Chrysanthemum</i> spp. (chrysanthemum, includes <i>Dendranthema</i> spp.)
<i>Citrofortunella</i> spp. seed (Rutaceae)
<i>xCitroncirus</i> spp. seed (Rutaceae)
<i>Citrus</i> spp. seed (Rutaceae)
<i>Clausena</i> spp. seed (Rutaceae)
<i>Cocos</i> spp. (other than <i>Cocos nucifera</i>) (Arecaceae)
<i>Cocos nucifera</i> (coconut) (including seed) (Coconut seed without husk or without milk may be imported into the United States in accordance with §319.56-11)
<i>Corypha</i> spp. (Arecaceae)
<i>Crocasmia</i> spp. (montebretia)
<i>Crocasmia</i> spp. (montebretia), except bulbs in commercial shipments
<i>Datura</i> spp.
<i>Dendranthema</i> spp. (chrysanthemum)

<i>Dictyosperma</i> spp. (Princess palm) (Arecaceae)
<i>Dracaena</i> spp.
<i>Dypsis</i> spp. (butterfly palm) (Arecaceae)
<i>Elaeis</i> spp. (oil palm) (Arecaceae)
<i>Erianthus</i> spp. (plumegrass) are now <i>Miscanthus</i> or <i>Saccharum</i>
<i>Eucalyptus</i> spp. (eucalyptus)
Fabaceae (= Leguminosae) (herbaceous spp. only)
<i>Fortunella</i> spp. seed (Rutaceae)
<i>Fragaria</i> spp. (strawberry)
<i>Fraxinus</i> spp. (ash)
<i>Gaussia</i> spp. (Ilumepalm) (Arecaceae)
<i>Gladiolus</i> spp. (gladiolus)
<i>Gladiolus</i> spp. (gladiolus), except bulbs in commercial shipments
<i>Gossypium</i> spp. (cotton, cottontree)
<i>Howea</i> spp. (sentry palm) (Arecaceae)
<i>Hyophorbe</i> spp. (palm) (Arecaceae)
<i>Ipomoea</i> spp. (sweetpotato)
<i>Jasimum</i> sp.
<i>Juniperus</i> spp. (juniper)
<i>Latania</i> spp palm (Arecaceae)
<i>Leersia</i> spp. (cutgrass) seed only (all other <i>Leersia</i> articles are included under <i>Poaceae</i>)
<i>Lens</i> spp. seed (lentil) Herbaceous Fabaceae
<i>Leptochloa</i> spp. (sprangletop) seed only (all other <i>Leptochloa</i> articles are included under <i>Poaceae</i>)
<i>Leucanthemella serotina</i>
<i>Ligustrum</i> spp.
<i>Limonia</i> spp. seed (Rutaceae)
<i>Livistona</i> spp. (fan palm) (Arecaceae)
<i>Manihot</i> spp. (cassava)
<i>Mascarena</i> spp is <i>Hyophorbe</i>
<i>Microcitrus</i> spp. seed (Rutaceae)
<i>Murraya</i> spp. seed
<i>Nannorrhops</i> spp. (mazari palm) (Arecaceae)
<i>Nipponantherum nipponicum</i>
<i>Pelargonium</i> spp.
<i>Pelargonium</i> spp. plants
<i>Philadelphus</i> spp. (mock orange)
<i>Phoenix</i> spp. (date) (Arecaceae)
<i>Poaceae</i> (vegetative parts of all grains and grasses, except species of <i>Bambuseae</i>)
<i>Poncirus</i> spp. seed (Rutaceae)
<i>Pritchardia</i> spp palm (Arecaceae)

<i>Ravenea</i> spp. (palm) (Arecaceae)
<i>Ribes</i> spp.
Seeds of all kinds when in pulp
<i>Severinia</i> spp. seed (Rutaceae)
<i>Swinglea</i> spp. seed (Rutaceae)
<i>Syringa</i> spp. (lilac)
<i>Toddalia</i> spp. seed (Rutaceae)
<i>Trachycarpus</i> spp. (windmill palm) (Arecaceae)
<i>Triphasia</i> spp. seed (Rutaceae)
<i>Ulmus</i> spp. (elm) (including seeds)
<i>Veitchia</i> spp palm (Arecaceae)
<i>Vepris</i> spp. seed (Rutaceae)
<i>Vitis</i> spp. (grape)
<i>Watsonia</i> spp. (bugle lily)
<i>Watsonia</i> spp. (bugle lily), except bulbs in commercial shipments not prohibited from Brazil, France, Italy, Malta, Mauritius, Portugal)
<i>Zizania</i> spp. (wild rice) seed only (all other <i>Zizania</i> articles are included under Poaceae)
