Committee on Sanitary and Phytosanitary Measures

Original: English

NOTIFICATION

Addendum

The following communication, received on 12 June 2018, is being circulated at the request of the Delegation of the Republic of Korea.

Add of prohibited host plants and countries

The Animal and Plant Quarantine Agency (APQA), Ministry of Agriculture, Food and Rural Affairs (MAFRA) in the Republic of Korea, has added host plants and prohibited areas of Zebra chip disease "*Candidatus Liberibacter solanacearum* (*Ca. L. solanacearum*)", one of the prohibited quarantine pests of the Republic of Korea, which is based on the result of Pest Risk Analysis (PRA).

The import condition for the following seeds associated with *Ca. L. solanacearum* is mandatory Polymerase Chain Reaction (PCR) testing from the 12 exporting countries for export to the Republic of Korea. The PCR test should be done by the NPPO or public testing agencies approved by the NPPO in accordance with ISPM 27 (DP 21) or Munyaneza et. al (2012) with phytosanitary certificate, shipped on and after 14 June 2018.

Products covered: carrot (*Dacus carota*) seeds, celery/celeriac (*Apium graveolens*) seeds and parsley seeds (*Petroselinum crispum*) for sowing

Countries likely to be affected, to the extent relevant or practicable:

- North America: United States of America
- Europe: Finland, France, Georgia, Germany, Israel, Italy, Norway, Spain, Sweden
- Africa: Morocco
- Asia: China

This addendum concerns a:

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other: Amendment of prohibited host plants

Comment period: (If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)

- Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): 11 August 2018

Agency or authority designated to handle comments: [] National Notification Authority, [X] National Enquiry Point. Address, fax number and e-mail address (if available) of other body:
