as of July 2017

### **List of Point of Entry Points:**

Plant quarantine services in Bangladesh have been running by the Plant quarantine Section which belongs to Plant Protection Wing of DAE under the Ministry of Agriculture. Plant Quarantine Section is headed by Deputy Director (Plant Quarantine). He is assisted by Plant Pathologist, Quarantine Pathologists, Quarantine Entomologist, Plant Quarantine Inspectors and the junior technical and supporting staff. Including six new land border check posts, at present 26 plant quarantine stations are functioning in the following entry points of Bangladesh.
