[LEGAL NOTICE NO. 12]

## BIOSECURITY ACT 2008

**Notifiable Pests and Diseases (Plant) Order 2022**

IN exercise of the powers conferred on it by section 75(1) of the Biosecurity Act 2008, the Biosecurity Authority of Fiji hereby makes this Order—

*Short title and commencement*

- 1.—(1) This Order may be cited as the Notifiable Pests and Diseases (Plant) Order 2022.
- (2) This Order comes into force on the date of publication in the Gazette.

*Notifiable pests and diseases*

2. The organisms set out in Schedule 1 are declared to be notifiable pests and diseases in or on plants.

*Manner of notifying pests and diseases to the Authority*

3.—(1) A person who knows of or suspects the occurrence of a notifiable pest or disease as set out in Schedule 1 in or on a plant in Fiji must, as soon as practicable, fill and lodge the form set out in Schedule 2 at the nearest office of the Authority or take any other reasonable steps to immediately notify the Authority.

(2) A master of a vessel or captain of an aircraft who knows of or suspects the occurrence of a notifiable pest or disease in or on a plant on board a vessel or aircraft in Fiji must as soon as practicable—

- (a) fill and lodge the form set out in Schedule 2 at the nearest office of the Authority or take reasonable steps to immediately notify the Authority; and
- (b) take any action necessary in relation to the vessel or aircraft as directed by the Authority.

*Offence*

4. A person who contravenes this Order commits an offence and is liable to the penalties prescribed under Schedule 5 to the Act.

Made this 24th day of February 2022.
