OFFICE MEMORANDUM

Subject: Relaxation for pre-shipment fumigation with Methyl Bromide (MBr) from countries, which have phased out use of MBr – reg.

All the Officer In-charges of RPQs/PQs may refer to Directorate's Office Memorandum No. 99-74/2018-PQD dated 20th May, 2019 and Office Memorandum of even number dated 17th May, 2023 regarding relaxation for pre-shipment fumigation with Methyl Bromide (MBr) from countries, which have phased out the use of MBr. In this regard, it is informed that as per Directorate's O.M issued on 20th May, 2019, there were many countries listed (*Annexure I*) under MBr phased out countries, however, less number of countries listed (*Annexure II*) under MBr phased out countries as per Directorate's O.M issued on 17.05.2023, since, many countries have not submitted the relevant documents to NPPO, India to establish phased out country status in accordance with the Gazette notification No. S.O. 4871(E) dated 13th October, 2022. Hence, the Competent Authority in Department of Agriculture & Farmer's Welfare has directed to allow the release of consignments as per the earlier list of MBr phased out countries specified in *Annexure I* on the following conditions for which fumigation treatment is stipulated in Plant Quarantine (Regulations for import into India) Order, 2003:

- i. The import of agricultural commodities covered under the Bill of Lading (BL) issued by the country of export dated 17th May, 2023 or before, will be subjected to conditions specified in Directorate's Office Memorandum No. 99-74/2018-PQD dated 20th May, 2019.
- ii. The import of agricultural commodities covered under the Bill of Lading issued by the country of export after 17th May, 2023, will be subjected to conditions specified in Directorate's Office Memorandum of No.102-1/2017-PQD dated 17th May, 2023.
- iii. The present order will not affect the relaxations given in respect of pulses vide Office memorandum No. 18-9/2021-PP. II(e-104300) dated 05.03.22.

This issues with the approval of Plant Protection Adviser.
