#### MINISTRY OF AGRICULTURE AND LIVESTOCK

### **ORDINANCE SDA/MAPA No. 1532 of 19th January, 2026**

Establishes the phytosanitary requirements for the importation of *Elaeis* spp. propagative material from any origin

THE SECRETARY OF AGRICULTURAL PROTECTION, OF THE MINISTRY OF AGRICULTURE AND LIVESTOCK, in the use of the attributions conferred on it by arts. 23 and 48 of Annex I of Decree No. 12.642, of October 1, 2025, in view of the provisions of Decree No. 24,114, of April 12, 1934, in Decree No. 1,355, of December 30, 1994, in Decree No. 5,759, of April 17, 2006, in MAPA Ordinance No. 65, of March 30, 2021, in Normative Instruction No. 25, of April 7, 2020, and what is contained in Process No. 21000.016733/2025-01, resolves:

Art. 1 The phytosanitary requirements for the importation of propagative material (Category 4) of *Elaeis* spp. from any origin are established.

Art. 2 *Elaeis* spp. seeds and pre-germinated seeds must be accompanied by a Phytosanitary Certificate, issued by the National Plant Protection Organization - NPPO of the country of origin, with the following Additional Declarations:

- I) "The consignment was inspected and found free from *Caryedon serratus* and *Mussidia nigritivenella*"; and,
- II) "The consignment is free from *Aphelenchoides blastophthorus*, *Candidatus* phytoplasma palmicola, Cocadviroid cadangi, Curvularia verruculosa, *Fusarium redolens*, *Marasmius palmivorus*, Robigovirus elaeis and *Uwemyces elaeidis*, according to the result of the official laboratory analysis No ( )".

Art. 3 *Elaeis* spp. in vitro seedlings must be accompanied by a Phytosanitary Certificate, issued by the National Plant Protection Organization - NPPO of the country of origin, with the following Additional Declaration:

- I) "The consignment is free from *Candidatus* phytoplasma palmicola, Cocadviroid cadangi and Robigovirus elaeis, according to the result of the official laboratory analysis No ( )".

II)

Art. 4 According to the phytosanitary status in its territory, the country of origin may, alternatively, declare for the regulated pests specified in Articles 2 and 3:

- I) "(Name of pest/s) is an absent quarantine pest for (country of origin)."; or
- II) "(Name of pest/s) is not present (country of origin)."

Art. 5 The country of origin must previously communicate, for approval by the NPPO of Brasil, the Additional Declaration that will be used in the issuance of the Phytosanitary Certificate.

§ 1 If there is no prior communication and approval provided for in the caput of this article, the country of origin must comply with the provisions of art. 2 and 3, being unable to use the alternative declarations provided for in art. 4.

§ 2 The country of origin must inform the change in the phytosanitary status of the indicated pests, when there is a change in the status in its territory.

Art. 6 The consignments are subject to inspection at the point of entry (Phytosanitary Inspection), as well as the collection of samples for phytosanitary analysis in official laboratories or laboratories accredited by the Ministry of Agriculture and Livestock.

§ 1 The costs of sending the samples and the phytosanitary analysis will be borne by the interested party.

§ 2 At the inspection's discretion, the interested party may remain as the depositary of the remainder of the consignment until the inspection process is completed.

Art. 7 In the event of interception of a quarantine pest or a pest that presents quarantine potential for Brazil, the consignment will be destroyed or rejected and the NPPO in the country of origin will be notified.

Sole paragraph. In case of a situation described in the caput of this Article the National Plant Protection Organization - NPPO in Brazil may suspend imports of seeds and in vitro seedlings of *Elaeis* spp. until the review of the Pest Risk Analysis.

Art. 8 The consignment will not be internalized when it fails to comply with the requirements established in this Ordinance.

Art. 9 The following regulations are repealed:

- I) Normative Instruction No 29 of 28 August, 2000;
- II) Normative Instruction No 7 of 20 February, 2001;
- III) Normative Instruction No 26 of 5 August, 2009;
- IV) Normative Instruction No 41 of 9 December, 2009;
- V) Normative Instruction No 18 of 6 June, 2011;
- VI) Normative Instruction No 3 of 19 January, 2011;
- VII) Normative Instruction No 35 of 10 October, 2011;
- VIII) Normative Instruction No 32 of 10 June, 2020;

Art. 10 This Ordinance enters into force on the date of its publication.

**CARLOS GOULART**
